Sources: U.S. Census Bureau, 2019–2023 American Community Survey (ACS) five-year detailed tables and 2020 Decennial Census block population/geography; City of Columbus, December 2021 City Council residential district boundaries. Estimates for nine Council residential districts were modeled by applying 2020 Census population-weighted geographic allocation to ACS block-group data in Franklin, Delaware, and Fairfield counties. Values are estimates, not direct Census district tabulations; ACS sampling error and additional geographic allocation uncertainty apply.
